JAP ADVANCE BEGUN

WHOLE LINE OF RUSSIAN EAST
ERN FRONT AT LIAOYANG
IS THREATENED.

GREAT BATTLE IN PROGRESS

GENERALS KUROKI AND KURO
PATKIN FIGHT FOR SUPREM-
ACY IN FAR EAST.

Kantzoun (seven miles east of
Liaoyang), Aug. 27.—Contrary to the
expectations of the Russians, the
Japanese are beginning to advance
along the whole line of the Russian
eastern front. On the morning of Aug.
24 there was a rifle skirmish and the
next day the Japanese artillery opened
fire. On both days the firing
ceased at dusk and the small energy
displayed by the Japanese might have
been taken to indicate that it was
merely a demonstration or a recon-
naissance in force. On the morning
of Aug. 26, however, the rifle and ar-
tillery fire was renewed with an
energy that left no doubt that a severe
battle was intended.

The Japanese pushed their attack
against the Russian right flank and
center, concentrating their fire upon
the First battery of the Third brigade.
Three officers and several men were
wounded early in the day, but the bat-
tery held its position and replied to the
Japanese fire with marked effect.

The Japanese several times at-
tempted to cross the Tankho (Liang)
river, but only a few succeeded and
these were forced to hide in the fields
of Chinese corn.

At 2 o'clock in the afternoon the ar-
tillery fire became as hot as it was at
Vafangow, but it fluctuated consid-
erably and occasionally the Russian fire
almost silenced that of the Japanese.
Rain fell in torrents at 4 o'clock, but
it did not stop the fighting and later
in the evening several Russian com-
panies moved forward to the attack.
It is not yet possible to state defi-
nitely the result of the battle, but it
is claimed that the Russians were
successful. There is a prospect of
more fighting Saturday.

BIG FIGHT IMMINENT

THREE JAP ARMIES ADVANCE
AGAINST THE FORCES OF
KUROPATKIN.

St. Petersburg, Aug. 27.—It is evi-
dent, according to both official and un-
official advices, that a Japanese move-
ment against General Kuropatkin is
rapidly developing. Whether or not
the belief of the war office that the
eastern movement is a feint is well
founded, it is evident from the press
dispatches from Kantzoun, seven
miles southeast of Liaoyang, that
heavy firing is now in progress on the
eastern front of the Russian line. If
the Japanese, following their usual
custom, are preceding a real attack
by a feint so heavy as to simulate such
an attack, it should not be long be-
fore a deadly battle develops on the
southern and western fronts.

It is evident that the heaviest force
is that of General Kuroki and that
probably the main attack will be
driven in from the southeast against
Liandiansian. In the meantime, if
the precedents of the campaign count,
the activity at Port Arthur should ex-
perience a lull, while the attention
of the Japanese is concentrated
against Liaoyang.

FOR A DESPERATE ATTACK.

Japs Prepare to Make an Assault on
Liaoyang.

Liaoyang, Aug. 27.—According to
the best information obtainable the
Japanese are preparing for a desperate
attack on Liaoyang in which, the
Chinese say, they are confident of success.
Siege guns have been sent from Yin-
kow to Tatchekiao, intended for use
against General Kuropatkin's posi-
tions.

A curious indication of the meth-
odical preparation for a big battle
is the fact that 10,000 wooden boxes,
in which it is intended to place the
ashes of the killed who are to be cre-
mated on the battlefield, have been de-
livered in the neighborhood of Liaoyang
and that 800 Chinese have been en-
gaged to burn the bodies of those
who may be killed.

The disposition of the forces is as
follows:

General Kuroki, with 100,000 men,
is between Khoyan and Gutzlatzky;
General Nodzu, with 60,000, is on the
line between Simcucheng and Kha-
lin; and General Oku, whose force has
been greatly depleted by withdrawals
for the Port Arthur siege, is at Hai-
cheng.

The weather is improving greatly
and becoming favorable for active
operations.

BRITISH STEAMER STOPPED.

Russian Cruiser Holds Up the Lisbon
in Bay of Biscay.

London, Aug. 27.—The correspond-
ent of the Morning Leader at Lisbon
says that the British steamer Lisbon,
which has arrived there, reports that
she was stopped by a Russian cruiser
in the bay of Biscay.

EXPLAINS THE SITUATION.

Russian Refugee Says There Are
Three No. 5 Forts at Port Arthur.

Chefoo, Aug. 27.—A Russian who
has intimate knowledge of Port Ar-
thur fortifications explains that there
are three forts known as No. 5. This
accounts for the various and conflict-
ing reports regarding fighting at No.
5. Two batteries on the left wing
bear this number, as does also a
strong fort to the left of Etishan fort.
Fort No. 5, near Etishan, is believed
to have been the object of the fight-
ing reported from here Thursday, as
the Japanese being already in posses-
sion of Etishan, it would be compara-
tively easy for them to capture the ad-
joining stronghold. This move brings
the Japanese advance guard close to
the section of Port Arthur known as
the new European settlement. Japa-
nese here expect that their army may
even enter the residence and business
district of Port Arthur, but that this
would not necessarily mean the fall
of the Russian stronghold. The Rus-
sian defenses are arranged with the
idea of resisting as long as there is a
man left and the nature of their de-
fenses suggests that the final stand
will occur at the Tiger's Tail or Liao-
ti mountain fort.

ORDERS FOR THE SMOLENSK.

Russian Steamer Will Be Told to Cease
Cruising.

Paris, Aug. 27.—The St. Petersburg
correspondent of the Echo de Paris
says under date of Aug. 26:

"Admiral Wirus, chief of the gen-
eral staff of the Russian navy, said to-
night that the volunteer fleet steamer
Smolensk would receive telegraphic
orders at the Cape of Good Hope to-
morrow to cease cruising."

DISARMING OF RUSSIAN SHIPS.

Work on Those at Shanghai Will Be
Begun on Monday.

Shanghai, Aug. 27.—The work of
disarming the Russian warships As-
kold and Grozovoi will be begun on
Monday. The Japanese declare that
there will not be a repetition of the
Ryeshitshel incident at Chefoo.

ASSAULT CALLED OFF

JAPS DECIDE THAT STORMING
OF PORT ARTHUR WOULD BE
TOO COSTLY.

Paris, Aug. 27.—The Tokio corre-
spondent of the Matin declares that
the Japanese minister of war has con-
fidentially informed his colleagues
that there is no hope of taking Port
Arthur by direct assault, and that long
operations will be necessary. There-
fore the minister has ordered the
field marshal, Oyama, to avoid attacks
entailing heavy losses. This, the cor-
respondent says, has been concealed
from the public.

JAPS LOSE MANY GUNS.

Thirty-two Cannon Destroyed by the
Russians.

Berlin, Aug. 27.—Dispatches to the
Lokal Anzeiger from Liaoyang indicate
that the Japanese have not occupied
Anshanshan, but on the contrary have
advanced barely beyond Haicheng on
the south front. One correspondent,
under date of Aug. 26, says that the
Japanese hold a fortified line one mile
north of Haicheng and that on Aug.
25, thirty-two Japanese cannon were
destroyed in a battle to the eastward.

EVERYTHING IS LOST TO RUSSIA.

French Military Man Urges the Kaiser
to Bring About Peace.

Paris, Aug. 27.—A military man of
high rank and a Russian sympathizer,
in an interview acknowledged the
Japanese superiority pertaining to
military operations in the East and
that everything is lost to Russia. He
urges the kaiser to act as mediator to
bring peace.

COMMITTEE IN TWIN CITIES.

Members of River and Harbor Body
Visit Minnesota.

St. Paul, Aug. 27.—Nine members of
the river and harbor committee of the
national house of representatives
reached Minneapolis Friday with sev-
eral of the officers of the committee
and a number of ladies. They were
shown about Minneapolis during the
morning and taken over the part of
the river containing the government
works. In the afternoon the party
was met at the locks and dams by the
St. Paul committee and taken on
board the steamer Hiawatha.

The vessel moved down to Fort
Snelling and there received a delega-
tion of officers stationed at the fort
and then proceeded up the Minnesota
river. This inspection was keenly
enjoyed by the visitors.

Late in the afternoon the commit-
tee arrived in this city and was taken
in charge by the members of the local
committee. Automobiles were fur-
nished the congressmen and their
wives and a trip around the drives
and boulevards was undertaken.

At 7:30 o'clock the congressmen, of-
ficers stationed at Fort Snelling, in-
cluding the reception committee, as-
sembled at the Commercial club, where
a banquet was spread.

Governor Van Sant, Theodore E.
Burton, J. Adam Bede and Congress-
man Burgess delivered addresses.

Jerry Simpson Defeated.

Las Vegas, N. M., Aug. 27.—George
P. Money was nominated for delegate
to congress Friday by the territorial
Democratic convention. The vote was
Money, 117; Jerry Simpson, 36.

WINS IN TWO ROUNDS

CHAMPION JEFFRIES EASILY DIS-
POSES OF BIG JACK MUN-
ROE OF BUTTE.

PUT UP A VERY POOR FIGHT

MONTANA MINER DID NOT LAND
ONE GOOD BLOW DURING
THE BATTLE.

San Francisco, Aug. 27.—Like the
veriest amateur in the prize ring,
Jack Munroe of Butte, Mont., went
down and out before Champion James
Jeffries Friday night in the second
round. The man from the mining dis-
trict made such an extremely sorry
showing that the great throng in Me-
chanics Pavilion roundly booed him
as he protested to Referee Graney
against the decision that had been
given in favor of Jeffries.

The two giants had not been in the
ring two minutes when it was fore-
seen that the aspirations of Munroe
would be quickly disposed of. The
miner was scared and awkward and
Jeffries in the first round had him
twice on the canvas taking the count.

Jeffries directed his bombardment
against the stomach of his opponent
and each shot was followed by a blow
on the jaw that sent Munroe to his
knees. Jeffries went back to his cor-
ner after the opening round with a
sneer and a laugh on his swarthy
face, while Munroe's seconds busied
themselves with smelling salts and
restoratives. When the two came to-
gether for the second round the laugh
on the champion's visage changed to
a look of determination that boded
to the miner.

Munroe Badly Battered.

Forty-five seconds after the gong
sounded Munroe was lying on the
floor, a bloody, bruised mass of hu-
manity, with Jeffries standing over
him, ready, if necessary, to put the
quietus on the championship ambi-
tions of his adversary. The miner
was too dazed to rise to his feet and
the timekeepers counted him out, but
the husky man from Southern Califor-
nia did not understand that the vic-
tory was already his, nor could Mun-
roe realize that his pugilistic star had
so early set, and the two men in a mo-
ment or two, were facing each other
and Jeffries landed a terrific blow on
the jaw of his staggering opponent.
It was at this time that Graney came
forward and ordered Jeffries away,
telling him that the fight was ended
in his favor.

Munroe tottered to his corner with
blood streaming from his face, and
fell into his chair, dazed and helpless.
His seconds immediately began work-
ing on him to freshen him and when
he came to a realization that the fight
had gone against him he arose and,
going to Referee Graney, began to protest.
The huge crowd understood
from his protesting gesticulations, etc.,
the purport of his talk to Graney, and
a mighty volume of jeering and hissing
evidenced the sentiment of the
spectators, many of whom had placed
money on the miner that he would stay
at least four rounds before the cham-
pion.

Lastet But a Short Time.

From the time the bell rang for the
commencement of the battle to the
time that the count of ten had been
uttered against Munroe, only four
minutes and forty-five seconds had
elapsed. The fight demonstrated, if
nothing else, that the world has yet
to produce a pugilist who will displace
James J. Jeffries as champion of the
world.

A great throng witnessed the con-
test. Estimates of the number in at-
tendance range from 7,000 to 9,000 and
it is believed that the gate receipts
will approximate \$35,000.

The miner's showing was a disap-
pointment to those who had the con-
fidence that he would at least repeat
in some degree his performance in
Butte when Jeffries failed to put him
out in four rounds. In the first few
moments of the opening round he
made some show of aggressiveness,
but that he was thoroughly scared was
evident from the manner in which he
broke ground and awkwardly endeav-
ored to guard himself when Jeffries ad-
vanced toward him.

Jeffries did not extend himself at
any time of the short contest, nor did
he deliver a blow that required the
full strength of his powerful arm. The
blows that

Sent the Miner Down

were of the short-arm variety finding
easy lodgment on the jaw of the man
from Butte, but there must have been
terrible impact behind them, which
was shown by the way the 200 pounds
of flesh went down with a thud on the
canvas.

Jeffries took the outcome of the
fight as a matter of course, and ex-
pressed regret that he did not pound
Munroe up more. His contempt for
the Butte miner was very apparent.
Munroe was so crestfallen over his
defeat that he refused to be inter-
viewed.

Munroe was the first to jump into
the ring at 9:15. He was followed im-
mediately by Jeffries. The seconds
were then announced by Referee
Graney. For Jeffries, Billy Delaney,
Jimmy Britt, Jack Jeffries and Joe
Kennedy; for Munroe, "Kid" McCoy,
Harry Foley, Tim McGrath, "Twin"
Sullivan and Frank McDonald.

Announcer Jordan introduced Mun-

roe as the "Butte Miner," and Jeffries
was presented as the champion of the
world. Both men received a hearty
round of applause.

Jeffries was smiling and confident,
Munroe white and nervous when the
fight began.

Costly Fire in Canada.

Waterloo, Ont., Aug. 27.—The fur-
niture factory controlled by the Canada
Furniture syndicate, was completely
destroyed by fire Friday. The loss
will probably reach \$125,000, covered
by insurance.

WORK OF "BLACK HAND" GANG.

Two Italians Shot and Stabbed in
Pennsylvania.

Wilkesbarre, Pa., Aug. 27.—Domini-
co Mostello and Giuseppe Scirona
are in a hospital at Sayre seriously
wounded. Some time ago Mostello in-
formed the Lehigh Valley railroad de-
tectives of the identity of the three
members of the Mafia gang who held
up a large number of Italians at Lake
Carey and levied tribute on them.
Three members of the "Black Hand"
were arrested, but it was impossible
to convict them, as Mostello and all
the other Italians were afraid to testi-
fy against them in open court.

Thursday night one of the three,
said to be a member of the Mafia band
of New York, and several others from
Athens attacked Mostello and Scirona.
The leader of the band shot Mostel-
lo twice and stabbed him several
times with a stiletto. Scirona was
shot through the face and had two
teeth knocked out. No arrests have
been made.

WHITE BEAR BOATS VICTORS.

Alpha and Wanderer Win Champion-
ship of Inland Lakes.

Oshkosh, Wis., Aug. 27.—The White
Bear Yacht club of St. Paul holds the
championship of the Inland Lakes
Yachting association in both classes.
That is the net results of the seventh
annual regatta of the association
which came to a close here Friday.
Alpha is the champion of class A and
Wanderer of class B. The latter is a
clear cut champion, but the peculiar
feature of Alpha's laurels is that she
has not won a heat of the entire re-
gatta. Comet II, of Pewaukee won
two of the four heats sailed, and Wi-
nipeg of Minnetonka won the other
two. But Alpha, by finishing second
three times and third once, secured the
top percentage, which is 350. Comet
II is next with 320, and Winnipeg third
with 250.

Postmaster Burned to Death.

Ventura, Cal., Aug. 27.—The post-
office at Piru City was totally de-
stroyed by fire Friday and Deputy Post-
master Burnham was caught in the
flames and burned to death.

MOB PURSUES A MAN

JOHN HURLEY OF MINNEAPOLIS
HAS NARROW ESCAPE FROM
MOB VIOLENCE.

Minneapolis, Aug. 27.—John Hurley,
who was released from the workhouse
last week, had a thrilling experience in
the Hebrew settlement at the corner of
Sixth avenue north and Fifth street
Friday, and had it not been for the ar-
rival of four central station detectives
he would have fared ill at the hands
of a crowd of forty or more excited
women and men.

Hurley, it is alleged, attempted to
entice a six-year old girl into an alley.
Her mother appeared on the scene, and
it is said Hurley made an insulting
remark to her. This was heard by a
number of women in the neighbor-
hood, and they gave chase to the man,
armed with clubs. Hurley was chased
several blocks, and finally was brought
to bay

THANKFUL TO HIS FRIENDS

Walter A. Hammond Writes a Letter to the Trades and Labor Assembly of this City.

The following letter was received and read at the meeting of the Trades and Labor Assembly in this city Friday evening. Walter A. Hammond, who was the labor candidate for railroad and warehouse commissioner, is particularly grateful to the Crow Wing county republicans, who not only instructed their delegation to the state convention for him, but presented his name to the convention, and who did everything in their power to further his candidacy:

St. Paul, Aug. 23, 1904.

R. C. Kutz,
416 Fourth Ave.,
Brainerd, Minn.

DEAR SIR:—

I take the liberty of addressing you as secretary of the Trades and Labor Assembly of Brainerd, Minn.

It was a source of much pleasure to me to know that your organization had endorsed my candidacy for Railroad and Warehouse Commissioner. The endorsement coming from a body of men as influential as those composing your assembly was a source of great strength to me, and men as true and loyal to their own as Brother Kenneth McDonald, whom you sent as a delegate to the convention, demonstrate what strength may be exercised for the good of the cause of labor by having representatives like him. He was typical of the whole Crow Wing delegation, which was made up of loyal supporters of the sentiment expressed in the resolution that emanated from your body endorsing my candidacy for Railroad and Warehouse Commissioner.

I do not think it necessary for me to commend in any special way Mr. John T. Frater, who is well known to all of you, and one whom I see by the press and otherwise has been selected to represent you as the successor of Hon. A. F. Ferris in the State Senate, and from my personal knowledge and contact with Mr. Frater, I am sure that he is capable of filling this honorable position to the satisfaction and the best interests of all the people, including organized labor, in the 48th legislative district, which has always been so prominent in championing the best legislative enactments.

Again thanking yourself and the assembly for what they did for me, and hoping that I may be able to assist your honorable body in some measure that will help to compensate you for all you have done for me. Please feel at liberty to command me at any time for anything in my power to in any way help your cause along.

Yours sincerely,

WALTER A. HAMMOND.

During state fair week those who wish to purchase tickets should get to the depot an hour before train time to avoid the rush, otherwise they are liable not to be able to get them.

PAINTED DISTINGUISHED IOWANS

Col. Freeman Thorpe, of Hubert, Returned from Iowa Where He Has Been on Important Business.

Colonel Freeman Thorpe, the eminent artist from Hubert, Minnesota, who painted the portraits of Charles Sumner, Generals Sherman and Grant, Horace Greeley, George William Curtis, Phil Sheridan, Roscoe Conkling, Blaine, Cleveland, McKinley and others, is in Iowa this month painting the portraits of distinguished Iowans to be hung in the statehouse and historical buildings at Des Moines. He has already painted ex-Governors Jackson and Larrabee, and is at work upon the picture of ex-Governor Boies.

Colonel Thorpe was in the civil war and took up portrait painting as a pastime at its close. He relates many interesting reminiscences of some of the great men of the past and present, and in all has had sittings with over five hundred public men.

The Death Penalty

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve on hand and will prevent fatality, when burns, sores, ulcers and piles threaten. Only 25¢ at H. P. Dunn & Co.'s drug store.

BASE BALL NUBS

The Cloquet team will be in Brainerd tomorrow for a game with the locals at Athletic Park. The Cloquet team is one of the best in the northern part of the state and has made a good clean record so far this year playing ball. The town of Cloquet is sort of base ball crazy and this is the reason that they have supported a good team. The locals will be in the game as usual and will no doubt put up a fast exhibition. Either Mattson or Boyle will pitch for Brainerd.

CLAIM HE SHOT SEVERAL HORSES

Young Man from Hubert is Claimed to Have a Mania for Killing Horses and Cows

IS MALICIOUS DESTRUCTION

Held to the Grand Jury on One Count and is Rearrested Later on Another

C. Bekerleg is the name of a young man from Hubert who had a hearing late yesterday afternoon charged with the malicious destruction of property, and if the charges can be substantiated it may go pretty hard with him.

It would seem as though this young man has a mania for shooting horses and cattle according to the developments of the testimony on the hearing yesterday afternoon.

The complaint was sworn out by Chauncey Clarke, a man who lives near Hubert and the specific charge is that the defendant shot a valuable mare belonging to the complainant. At the conclusion of the taking of the testimony yesterday afternoon for the prosecution Judge Fleming, who appeared for Bekerleg moved to dismiss on the ground that the testimony did not substantiate the claim that the mare had been damaged to exceed \$20. This the court refused to do but held the defendant to the district court, fixing his bond at \$100. He had no more than fixed up his bond and got ready to leave the room before he was rearrested, John Bishop filing another count against him charging him with maliciously shooting some stock belonging to him. The hearing in this matter was adjourned for a week, the defendant being admitted to bail in the sum of \$100, which he furnished.

It is understood that there are others who will also file complaints against the young man, having been eye witnesses to his acts in shooting at stock.

The actions of the young man are unexplainable. He has always been considered a peaceful and quiet citizen and was regarded as a good neighbor. He has a small piece of land near Hubert and has a good garden. He lives by himself and everything about the place is always unusually neat. It was thought by some that he did the shooting to keep the stock off his place, but by others it is claimed that this is not the case; that he goes out of his way to do these things.

A Matter of Geography.

Representative Heatwole, of Minnesota, was asked by a friend about a mutual acquaintance who lives in the congressman's district.

"Is he rich?" was one query.
"Well, that depends on geography," said Mr. Heatwole. "Out at home we consider him very rich. He is worth about a million dollars. If he lived in New Jersey I suppose he would be thought fairly well-to-do, while if he lived in New York folks would be dropping dollars in his hat."—Collier's Weekly, August 27, 1904.

MUSIC AND DRAMA.

"A ROMANCE OF COON HOLLOW."

A natural, consistent comedy drama, flavored with the breezy local color of Tennessee life, and permeated with the soft Southern atmosphere of its valleys, is "A Romance of Coon Hollow," which will be seen at the Brainerd Opera House Thursday Sept. 1, with a wealth of scenery and mechanical effects. The success of the play, now in its eleventh season, lies in its splendid construction, and in a rich humor that is natural and infectious. The realistic mechanical effects used in elaborating the work adds to its interest. The story finds its origin in the romantic glen in East Tennessee known as "Coon Hollow." Among the scenic effects are a steamboat race on the Mississippi at night, both boats lighted up and under full head of steam; a cotton compress in operation, and a moonlight view of "Coon Hollow," painted from life. A band of plantation darkies are also seen in the songs, dances and antics that make the colored race a humorous factor in history.

"A Romance of Coon Hollow" is now in its eleventh year on the road, and that fact alone reveals its merit.

End of Bitter Fight

"Two physicians had a long and stubborn fight with an abscess on my right lung," writes J. H. Hughes, of DuPont, Ga., "and gave me up. As a last resort I tried Dr. King's New Discovery for consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely regained my health." It conquers all coughs, colds and throat and lung troubles. Guaranteed by H. P. Dunn & Co.'s drug store. Price 50c and 1.00. Trial bottle free.

CLAIM HE SHOT SEVERAL HORSES

Young Man from Hubert is Claimed to Have a Mania for Killing Horses and Cows

IS MALICIOUS DESTRUCTION

Held to the Grand Jury on One Count and is Rearrested Later on Another

C. Bekerleg is the name of a young man from Hubert who had a hearing late yesterday afternoon charged with the malicious destruction of property, and if the charges can be substantiated it may go pretty hard with him.

It would seem as though this young man has a mania for shooting horses and cattle according to the developments of the testimony on the hearing yesterday afternoon.

The complaint was sworn out by Chauncey Clarke, a man who lives near Hubert and the specific charge is that the defendant shot a valuable mare belonging to the complainant. At the conclusion of the taking of the testimony yesterday afternoon for the prosecution Judge Fleming, who appeared for Bekerleg moved to dismiss on the ground that the testimony did not substantiate the claim that the mare had been damaged to exceed \$20. This the court refused to do but held the defendant to the district court, fixing his bond at \$100. He had no more than fixed up his bond and got ready to leave the room before he was rearrested, John Bishop filing another count against him charging him with maliciously shooting some stock belonging to him. The hearing in this matter was adjourned for a week, the defendant being admitted to bail in the sum of \$100, which he furnished.

It is understood that there are others who will also file complaints against the young man, having been eye witnesses to his acts in shooting at stock.

The actions of the young man are unexplainable. He has always been considered a peaceful and quiet citizen and was regarded as a good neighbor. He has a small piece of land near Hubert and has a good garden. He lives by himself and everything about the place is always unusually neat. It was thought by some that he did the shooting to keep the stock off his place, but by others it is claimed that this is not the case; that he goes out of his way to do these things.

A Matter of Geography.

Representative Heatwole, of Minnesota, was asked by a friend about a mutual acquaintance who lives in the congressman's district.

"Is he rich?" was one query.

"Well, that depends on geography," said Mr. Heatwole. "Out at home we consider him very rich. He is worth about a million dollars. If he lived in New Jersey I suppose he would be thought fairly well-to-do, while if he lived in New York folks would be dropping dollars in his hat." Collier's Weekly, August 27, 1904.
